Hi Steve - Testimonial on IXL Oil Treatment

I bought a 1994 Dodge Ram new + was covering 3 states at the time. when I had about 150,000 mi on it I bought some IXL oil treatment + used it till I Retired The pickup with 468,000 mi. I then bought a 1999 Dodge Ram w/ 68,000 + used IXL in it and now have almost 300,000 mi on it + have not touched The Engines on either of the pickups. Both have given Gas milage of 16 to 18 mpg on Long Dr Time. I have just sold the "94" Ram to a friend + he said he was getting 18 mpg + Cant believe how good "DL Red" Runs. will be putting IXL in my 1997 Dodge Van I just Bought w/ 125,000 mi on it.

I'm Enclosing some info on Promotional Items + will Call you Later to Expand on what we have available to help promote your Business
