Hi Steve, Thank you for sending my order so quickly. I believe in your product because I had a Honda Civic that I bought new and kept for 11 years in the 80s and put 367000 miles on and I believe the car lasted that long in part because of your product. Now I have a Nissan Sentra with 210000 miles and again I hope to keep this one that long or even longer. The car is paid for and that is good. Thank you.
